

Let's celebrate! The vision is now a reality!  
The Coastal facility has reached commercial operations.

## YOU'RE INVITED

to attend the Annual MRC Membership Meeting.  
Wednesday, December 11, 2019  
3:00 pm - 5:00 pm

Orono Municipal Building  
59 Main Street, Orono, Maine

Coastal Resources of Maine reached commercial operations in 2019. What does that mean for Joining Members? What objectives does the MRC have for 2020? What does the future of waste management hold?

Learn more at MRC's Annual Membership Meeting from MRC's Executive Director and Board of Directors as well as featured guests David Burns, P.E. (Director at Bureau of Remediation & Waste Management, MDEP) and Steve Davey (Chief Executive Officer at Fiberight Global Holding, Coastal Resources of Maine).
